Europass Curriculum Vitae

Personal information

Surname(s) / First name(s)	**ARAPI POLYXENI**
Address(es)	Technical University of Crete, Electronic and Computer Engineering Department, University Campus, GR-73100, Chania, Greece
Telephone(s)	(+30-28210) 37431 Mobile:
Fax(es)	(+30-28210) 37542
E-mail	xenia@ced.tuc.gr, xenia@softnet.tuc.gr
Nationality	Greek
Date of birth	12/5/1977
Gender	Female

Desired employment / Occupational field

Electronic and Computer Engineer

Work experience

Dates	**May 2008 - onwards**
Occupation or position held	Participation in the WG3/TC48 of the Greek Organisation for Standardisation (ELOT) working in the area of learning processes and technologies standardisation and the corresponding Working Groups ISO/IEC JTC1 SC36, CEN/ TC 353 and CEN/ISSS WS-LT.
Main activities and responsibilities	National specifications and standards for the use of Information and Communication Technologies in learning, education and training.
Name and address of employer	Greek Organisation for Standardisation (ELOT) Acharnon 313 Athens, Greece
Dates	**September 2006 - onwards**
Occupation or position held	Permanent Laboratory Staff of the Electronic and Computer Engineering Department, Technical University of Crete
Main activities and responsibilities	Technical Coordinator of the Software Technology and Network Applications Laboratory (SoftNet), Electronic and Computer Engineering Department, Technical University of Crete
Name and address of employer	Technical University of Crete Electronic and Computer Engineering Department Software Technology and Network Applications Laboratory University Campus, GR-73100, Chania, Greece

For more information on Europass go to http://europass.cedefop.europa.eu
© European Communities, 2003 20051110

Dates	**August 2001 – onwards**
Occupation or position held	Research collaborator and technical coordinator of R&D projects of the Laboratory of Distributed Multimedia Information Systems and Applications (TUC/MUSIC), Electronic and Computer Engineering Department, Technical University of Crete
Main activities and responsibilities	Researcher in the following R&D projects: EU Projects: - LdV/ADONIS (ADVANCED ON-THE-JOB e-TRAINING SOLUTIONS IN e-BUSINESS FOR SMEs) - LdV/KNOSOS (NEW MEDIA KNOWLEDGE VILLAGE FOR INNOVATIVE e-LEARNING SOLUTIONS) - IST/DELOS II (IST Network of Excellence in Digital Libraries) - LdV/CHIRON (Referring Innovative Technologies and Solutions for Ubiquitous Learning) - IST STREP/LOGOS (Knowledge-on-Demand for Ubiquitous Learning) - LLL/iQTool (Innovative eLearning Tool for Quality Training Material in VET) - LdV TOI/Organic.Mednet (Developing the Skills of Organic Agriculture Trainers for the Mediterranean) - FP7 ICT-PSP/Natural Europe (Natural History & Environmental Cultural Heritage in European Digital Libraries for Education) - FP7 ICT-PSP/Open Discovery Space (A socially-powered and multilingual open learning infrastructure to boost the adoption of eLearning resources) - LdV/QONIAon (VET Qualification Practice for eInclusion) - ECHO/EVANDE (Enhancing Volunteer Awareness and education against Natural Disasters through E-learning), Project co-funded under the Union Civil Protection Mechanism, Grant Agreement No.ECHO/SUB/2014/693261 - Erasmus+/MechMate (Strategic Partnership in the field of Mechatronics for innovative and smart growth of European manufacturing SMEs) - Research project No. DN02/06/15.12.2016 “Concepts and Models for Innovation Ecosystems of Digital Cultural Assets” (2016 - 2018), funded by the Bulgarian Sciences Fund National Projects: - Study for the Development, Organisation, Management and Documentation of the Training Material of the National Center for Public Administration and Local Government (EKKDA) Technical coordinator for TUC/MUSIC in the following R&D projects: EU Projects: LdV/ADONIS, LdV/KNOSOS, IST/DELOS II, IST STREP/LOGOS, LdV TOI/Organic.Mednet, FP7 PSP/Natural Europe, LdV QONIAon, ECHO/EVANDE, Erasmus+/MechMate National Projects: Study for the Development, Organisation, Management and Documentation of the Training Material of the National Center for Public Administration and Local Government (EKKDA) Co-supervisor of the following students’ Diploma theses of the Electronic and Computer Engineering Department conducted in the Laboratory of Distributed Multimedia Information Systems and Applications (TUC/MUSIC): 1. Makris D. (2015): “Design and Implementation of a Platform for the Development and Management of Learning Experiences in Location-Based Mobile Games”, Diploma Work, Department of Electronic and Computer Engineering, Technical University of Crete, Chania, Greece. 2. Mylonakis M. (2008): “Development of a system for the provision of personalized learning experiences on top of audiovisual digital libraries”, Diploma Work, Department of Electronic and Computer Engineering, Technical University of Crete, Chania, Greece. 3. Stylianakis G. (2008): “Design and Development of a Repository for Educational, Learning and Evaluation objects based on the METS Digital Library Model”, Diploma Work, Department of Electronic and Computer Engineering, Technical University of Crete, Chania, Greece.

For more information on Europass go to http://europass.cedefop.europa.eu
© European Communities, 2003 20051110

4. Theodorakis G. (2007): "Design and Development of LEARNING DESIGN EDITOR: A Tool for managing abstract learning scenarios", Diploma Work, Department of Electronic and Computer Engineering, Technical University of Crete, Chania, Greece.
5. Sarigiannis C. (2006): "Design and implementation of a distributed system (QSURVEY) for questionnaire management based on the IMS Global Consortium standards", Diploma Work, Department of Electronic and Computer Engineering, Technical University of Crete, Chania, Greece
6. Frantzi M. (2003): "A Methodology for the Integration of SCORM with TV-Anytime for Achieving Interoperable Digital TV and e-Learning Applications", Diploma Work, Department of Electronic and Computer Engineering, Technical University of Crete, Chania, Greece.

Name and address of employer

Technical University of Crete
Electronic and Computer Engineering Department
Laboratory of Distributed Multimedia Information Systems and Applications (TUC/MUSIC)
University Campus, GR-73100, Chania, Greece

Dates: **March 2003 - onwards**

Occupation or position held: Supporting courses' laboratories of the Electronic and Computer Engineering Department of the Technical University of Crete

Main activities and responsibilities: Courses (Computer Science division):

- (CS111) Structural Programming
- (CS112) Symbolic and Discrete Structures
- (CS201) Object-oriented Programming
- (CS301) Operating Systems
- (CS414) Distributed Systems

Name and address of employer

Technical University of Crete
Electronic and Computer Engineering Department
University Campus, GR-73100, Chania, Greece

Dates: **July 2004 -**

Occupation or position held: Peer reviewer

Main activities and responsibilities: Served as peer reviewer in the following Journals/Conferences:

- Program: electronic library and information systems, Journal, Emerald Group Publishing Limited, ISSN: 0033-0337
- Metadata Semantics and Research Conference 2011 (MTSR2011) - Special track on Metadata & Semantics for Learning Infrastructures, Izmir, Turkey, October 2011
- Agricultural Metadata & Semantics, Special Issue of the International Journal of Metadata, Semantics and Ontologies, Publication date: Spring 2009
- IEEE Transactions on knowledge and data engineering Journal, Vol.21, No. 1, January 2009
- International Conference on Education and Information Systems: Technologies and Applications (EISTA'04), July 21-25, 2004, Florida, USA

Dates: **February 1, 2004 – August 31, 2005**

Occupation or position held: Research collaborator in Technological Educational Institute of Crete project: "Reformulation of the curriculum of the Department of Electronics of Technological Educational Institute of Crete" (EPEAEK II, Action 2.2.2: Completion of Enlargement and Reformulation of the Curriculum) – Technical support, organization and maintenance of Informatics laboratories (WP2, WP3, WP4)

Main activities and responsibilities:

- Setup and maintenance of the project eLearning platform and learning object repository
- Technical support on software used for educational purposes
- Organization and support of Informatics laboratories
- Project hardware infrastructure support
- Organization and maintenance of computer networks
- Expert technical support in computer and network related issues

Name and address of employer	Technological Educational Institute of Crete (Chania branch) Romanou 3, Halepa GR-73133, Chania, Greece
Dates	**July 1, 2001 – August 31, 2001**
Occupation or position held	Tax Authority Office of Chania (A' DOY)/Taxation Department
Main activities and responsibilities	Supporting all financial and technical activities of the Taxation Department
Name and address of employer	Tax Authority Office of Chania (A'DOY) Tzanakaki 3 GR-73134, Chania, Greece
Dates	**March 1997 - December 1998**
Occupation or position held	Part-time work as an undergraduate student in the Laboratory of Distributed Multimedia Information Systems and Applications (TUC/MUSIC), Electronic and Computer Engineering Department, Technical University of Crete
Main activities and responsibilities	Database systems design and implementation
Name and address of employer	Technical University of Crete Electronic and Computer Engineering Department Laboratory of Distributed Multimedia Information Systems and Applications (TUC/MUSIC) University Campus, GR-73100, Chania, Greece
Dates	**January 1997 - December 1997**
Occupation or position held	Part-time work in the Information Systems Center of the Technical University of Crete
Main activities and responsibilities	Systems administrator
Name and address of employer	Technical University of Crete Information Systems Center University Campus, GR-73100, Chania, Greece

Education and training

Dates	**January 2011**
Title of qualification awarded	M.Sc. in Electronic and Computer Engineering, Electronic and Computer Engineering Department, Technical University of Crete
Name and type of organisation providing education and training	Technical University of Crete Electronic and Computer Engineering Department
Level in national or international classification	ISCED 6
Dates	**June 19, 2003**
Title of qualification awarded	Electronic Engineer work license awarded from the Technical Chamber of Greece after examinations. (Record number: 95964) *Best Diploma Thesis Award for the year 2003 in the profession of Electronic Engineers from the Technical Chamber of Greece*

For more information on Europass go to http://europass.cedefop.europa.eu
© European Communities, 2003 20051110

Name and type of organisation providing education and training	Technical Chamber of Greece
Dates	**1996 – 2002**
Title of qualification awarded	Diploma (5-years program) in Electronic and Computer Engineering, Electronic and Computer Engineering Department, Technical University of Crete
Principal subjects/occupational skills covered	Diploma thesis title: "Design and Implementation of Interoperability Mechanisms Using the SCORM Model in an e-Learning Environment" Supervisor: Professor Stavros Christodoulakis Laboratory of Distributed Multimedia Information Systems and Applications (TUC/MUSIC) *Best Diploma Thesis Award for the year 2003 in the profession of Electronic Engineers from the Technical Chamber of Greece*
Name and type of organisation providing education and training	Technical University of Crete Electronic and Computer Engineering Department
Level in national or international classification	ISCED 5
Dates	**1992 – 1995**
Title of qualification awarded	Multidivisional Lyceum of Athens graduation certificate Grade: 18,2 / 20
Principal subjects/occupational skills covered	Engineering Division (4th)
Name and type of organisation providing education and training	Multidivisional Lyceum of Athens

Personal skills and competences

Mother tongue(s)	**Greek**

Other language(s)

Self-assessment

European level (*)

	Understanding				Speaking				Writing	
	Listening		Reading		Spoken interaction		Listening		Reading	
English	C1	Proficient user	C1	Proficient user	C1	Proficient user	C1	Proficient user	C1	Proficient user
German	C2	Proficient user	C2	Proficient user	C2	Proficient user	C2	Proficient user	C2	Proficient user

(*) Common European Framework of Reference for Languages

Social skills and competences	- Team work: Worked and working as a member and as a manager in research teams - Intercultural skills: Experience at working in a European Dimension
Organisational skills and competences	- Coordination and leadership skills: Experience in organizing and managing teams (more than 30 persons) in research projects

For more information on Europass go to http://europass.cedefop.europa.eu
© European Communities, 2003 20051110

Technical skills and competences	Has extensive research and technical experience in the following fields: - E-learning (Semantic Modelling and Interoperability, Application Modelling, Personalization, Service-Oriented Architectures) - Ubiquitous Learning - Digital Libraries - Semantic Web & Ontologies - Multimedia Information Systems - System Modelling and Design - Database Management Systems (Personalization Support, XML document management, Application Modelling) - WWW Technologies - Human-Computer Interaction and User Interfaces
Computer skills and competences	- Systems administration - Experience in relational database management systems (MySQL, Postgresql, MS-Access, MS-SQL Server). - Programming in Pascal, C, C++, Java, Basic, VHDL, assembly - Experience in Web Applications development: Java Server Pages, Active Server Pages, J2EE, XML, XML Schema, XPath, XSLT, etc. - Experienced user of operating systems: MS-DOS, UNIX, Linux, Windows (95|98|NT|2000|Me|XP|7), MS-DOS. - Experienced user of Internet and Internet services: Mail, FTP, News, WWW, HTML. - Experienced user of OpenOffice, Microsoft Office suites (including word processing, spreadsheet and presentation applications).
Artistic skills and competences	Piano and higher studies in classical music, National Conservatory of Athens Guitar, Self-taught 1996-1998 Worked as a musician (guitar player and singer) in several music venues and events in Chania (music genre: rebetiko, folk music, art music) 1997-1998 Worked as a private lessons piano teacher
Other skills and competences	Martial Arts (Karate Shito Ryu) Sailing (International Sailing Diploma) Football (Favourite positions: Center Back, Right Back, Goalkeeper. As a former member of a Greek women's football team participated in two championships in the B' National Category in 2000 and 2001)
Driving licence	Professional Driving Licence (Type B') Driving Licence (Type A')
